So far as can be learned the fleet sailed for Guam.

TO NOTIFY DREDGING PEOPLE.

All steamers entering or departing from the harbor are requested to signal their approach by four blasts from the whistle, so as to notify the people on the dredger of their approach. This information will enable the dredger to attend to the moorings and prevent danger of entanglements.

The schooner Aloha arrived yesterday morning 12 days from San Francisco, with a general cargo for Honolulu. She experienced strong trades that carried her along in good time. Her best run was 228 knots in one day. She lost two jib sails during a heavy blow.

NO INTERREGNUM.

From January 1 to January 4, Hilo will be exceptionally well governed. There will be no interregnum. The new officials are ready to keep the peace from today and Sheriff Andrews and his men are willing to be responsible for the same state of affairs. There will be no friction but a part of the new force will be on duty along with the old. Henry West will be the jailor until the new regime.—Hilo Tribune.

About Colds.—In all countries and among all nations of the globe, cough medicines are used and used probably more extensively than any other one class of medicines. Every human being is subject to throat and lung troubles, which may terminate his existence. People everywhere realize the dangerous consequences of a neglected cold, for the majority of fatalities have their origin in and are characterized first by a simple cold. The more careful and prudent persons do not permit a cold to run its course, but treat it promptly. For many years Chamberlain's Cough Remedy has been in use throughout the United States and many other countries and time has proven it to be the best adapted of any remedy yet made for all throat and lung diseases, and especially coughs, colds, croup and whooping cough. It always cures and cures quickly. For sale by all dealers, Benson Smith & Co., agents for Hawaii.
